

CAP Safety Committee
September 13, 2024
Minutes

Attendees:

Gretchen Kelly, PLEA
Tamara Caldwell, Family Links
Denise Demus, Pressley Ridge
Stacey Dowden, Milestone
Brian Roche, Mainstay
Casey Monaghan, Devereux/TCV

General Discussion:

1. Brown and Brown is offering a free 30 minute webinar on 9/19/24 available to all CAP members featuring a panel discussion on electronic driving monitoring systems. Registration is available at <https://www.bbrown.com/us/driver-monitoring-an-issue-of-safety/>
2. Discussed how insurance companies drive changes in industries.
3. The committee is looking to bring an industry wide driver safety/insurance expert for an in-person training.
4. Invite to member guests that can give user perspectives of driver monitoring systems.
5. Now that school has resumed and latest incident in Georgia as well as local threats discussed active threat situations, reminder of available resources, and the need for continued vigilance.

Next Meeting: October 11th, 9AM via Teams.
